

How To Make Your Woollie

1. Draw two circles with a small circle in the middle
2. Cut out & place the two rings on top of each other
3. Wrap Gustaf's Licorice Laces around rings until full
4. Search for the ring in between
5. Split rings apart to cut laces in between rings
6. Slide string between the two rings & knot string
7. Remove the two rings by cutting them
8. Attach the eyes and your **Woollie** is complete!
